\$500,000 and up. . . . .	\$1,660.00 for the first \$500,000.00, plus \$2.00 for each additional thousand or fraction thereof.

### 2. Section B102 - Moving fee

For the moving of any building or structure, the fee shall be \$100.00.

### 3. Section B103 - Demolition fees

For the demolition of any building or structures, the fee shall be \$50.00.

4. Section B105 - Plan-checking fees

When a plan is required to be submitted under 104.2, a plan-checking fee may be required by the building official at the time of submitting plans and specifications for checking. Said plan-checking fee shall not exceed one-half of the building permit fee as set forth in 104.7. Such plan-checking fee is in addition to the building permit fee.

SECTION 3. BE IT FURTHER ORDAINED that the following section be added to the *Standard Plumbing Code, 1997 Edition*:

- A. Accumulated grease shall be physically removed no less than once every 30 days; or in the alternative, grease may be degraded or dissolved by an acceptable chemical or microbial process over a time period approved by the City.
- B. Said period of time shall be shortened by the plumbing official in his discretion at any time.
- C. That a log or record of those dates upon which grease is removed or treated by a chemical or microbial process shall be maintained on premises at all times. That log shall include the date that the grease was removed or treated, shall be initialed by the party in charge of removing or treating said grease, and shall record where said grease was disposed of, if physically removed.
- D. That the plumbing official may inspect the premises and the interceptor at any time without notice.
